Hi Dan –

I've worked on NHPA issues related to Dewey Burdock; my colleague Lucita Chin is the main attorney assigned to it.

Mike – thanks for your help on the Gold King paper with Liz Berg. I'm not sure if you are the right POC but a separate question came in from OITA in reviewing a "tribal issues" paper. They thought R8 would know whether the uranium permit for Dewey Burdock Mine has been issued, and if so, whether the highlighted language should not be redacted. Please let me know, thanks! Dan
